30th AFA Int'l Annual Fertilizer CONFERENCE & EXHIBITION

We are thrilled to announce that the 30th AFA Int'l Fertilizer Annual Conference and Exhibition are scheduled to be held during the period 27-29 of February 2024, at the Nile Ritz Carlton, Cairo, Egypt.

The importance of the Arab region is set to increase in the future by the ongoing concentration on the food security issue, Agriculture sector productivity, and a more sustainable environment. Based on the success of the previous Annual events, AFA Conference is expected to attract nearly a range of 1000 visitors and attendees.

From the “fertilizers” industry as regional stakeholders, producers, distributors, traders as well as the industry decision-makers, and various delegates from the Middle East, Africa, Europe, North and South America, and Asia; therefore, it represents one of the unique worldwide networking gatherings of its genre. We at AFA will be pleased by your attendance and to take a part in this unique Conference.

A handwritten signature in dark ink, reading "Saad Abou El-Maaty".

Chemist/ Saad Abou El-Maaty
Secretary General
Arab Fertilizer Association

Why should you attend?

AFA ANNUAL CONFERENCE

The 2024 AFA Conference is devoted to the theme “**Agri-nutrients for Securing Food & Sustaining Environment**” that will focus on Agri-nutrients trends, fluctuations and consequences along with the market forecast and outlook of the global Agri Nutrients industry, the conference will host Arab and international mineral fertilizer firms, technology licensors, engineering entities, EPCs, equipment and catalyst suppliers, chemical providers, universities, agricultural and research institutes, relevant authorities, and others from around the globe, as well as the event will feature the following:

Stay on trend with the latest commercial updates and forecasts of the industry within the Arab Region

Knowledge exchange and wide sharing platform with international speakers and top experts

Involve in our unrivalled networking opportunity to include new extra facilities and technologies to have a better networkig space

Unique Opportunity to present your show-case study and to deliver your strategic ideas to your peers

MAIN TOPICS

The AFA is planning for a more advanced Conference by gathering international experts with Arab region fertilizer producers in an attempt to enhance the region's competitiveness in the global market, discuss the prospect opportunities from various perspectives as fertilizer Economics, Agriculture Sector, logistics & Supply Chain, Renewable energy, Green Hydrogen and investments outlook in the Arab region.

- *Cairo Tower*
- *Al-Azhar Mosque*

CITY INFORMATION

Weather Forecast

 TEMPERATURES 22° / 11°	 RAINY DAYS 0
 SNOWY DAYS 0	 DRY DAYS 28
 RAINFALL 5 mm	 SUN HOURS 11.4 Hrs

Cairo City

The temperatures in Cairo in February are comfortable with low of 11°C and and high up to 22°C.

There is little to no rain in Cairo during February, so it's a lot easier to explore the city. Just remember to dress in warm layers, as it can still get pretty chilly.

RECOMMENDED

SITES VISITS

The Great Pyramids

The great of ancient Egypt is structures and a pinnacle of architectural grandeur). Its fine proportions and the harmony of its lines allowed it to be taken the first place among the seven wonders of the world .

Abdeen Palace Museum

Abdeen Palace is one of the most famous royal palaces in Cairo, and it was the seat of government from 1874 until the 23rd revolution in 1952.

Cairo Tower

The Cairo tower was built in 1961. It tends in the middle of Cairo, overlooking the city from 185meters high. When you are at the top of the tower you can have an impression of the enormous city of Cairo

RECOMMENDED

SITES VISITS

Salah El Din Citadel (Al Qaala)

The citadel was built after the Fatimeds by the Arabic knight "Salah El Din El Ayoubi". He built this citadel to protect old Cairo which was the main city at that time from the invaders.

Opera House

The new 7 -story opera house at the Gezira Exhibition Grounds was inaugurated on October, 3, 1988. Designed by a team of Japanese and Egyptian architects, it is an architectural masterpiece of Islamic design.

Khan El Khalili

The best tourist market in Egypt. Variety of goods and products is available at Khan El Khalili. And the atmosphere of the market certainly has some life to it. Though there is more than a few tourists milling about.
